## FALL NEWSLETTER

### A Message from our President

Greetings from the Lakes Region Scholarship Foundation! Well this has been quite the year! The LRSF staff and Board members worked hard from home and our closed office during the Spring of 2020 to make sure that scholarship awards would go out this June as they have since 1956. The foundation received 269 applications from students between January 2020 and the April 1, 2020 deadline. Many of these students did not file until mid to late March, complicating their lives and that of the staff at LRSF. Once all of our applications were processed, they were reviewed by the members of the Board of Trustees. This year, the process was done with the use of ZOOM, emails, phone calls as well as meetings in driveways where Board members could sit outside and at the proper social distance. It was often difficult to get all of the paperwork that was required for the applications, however, the staff was greatly assisted by the guidance staff of our local high schools. They managed to get us transcripts and other information to complete applications and assist their students despite working remotely from their homes.

The greatest hurdle for the staff came next: the implementation of a "Remote" Donors Day. Each year, as you know, the middle of May, LRSF holds a Donors Day where over 125 donor representatives come in to the LRSF office to select their candidates for scholarships. Also, at that time, the staff contacted many more donors who were not able to come into the office. This year our usual gathering was not possible due to COVID restrictions. Accordingly, our staff had to contact close to two hundred donor representatives, one by one, either by phone or email. They were determined to get this done by the first week of June as they always have. We wanted our young people to realize that the community is behind them and supports them as they look forward and plan for their future after all of the changes in their lives due to the Covid-19 restrictions.

Despite all of these hurdles in their way, Lakes Region Scholarship Foundation met their goal and sent the local schools the lists and award letters for their student scholarship recipients during the first week of June and mailed the rest of the award letters by mid-June. We were even able to send audio or video award greetings to a couple of the high schools.

It is incredible to think that an organization with such humble beginnings has grown to what it is today. From a small committee of people supported by eight local civic groups and businesses, awarding \$2,650 in 1956 to just 16 recipients, we have grown to 269 donors this year, who together awarded over \$450,00 to close to 293 recipients. Many of our scholarship funds are memorials set up by families when a loved one passes, or from bequests. Each memorial tells the special story of a person who is no longer with us, but continues to impact young people in their quest to further their education. All this long after the loved one is gone. Other scholarship funds come from civic groups and area businesses, all looking to invest in the youth of our local communities. We continue to grow and thrive due to the generosity of all of our donors, as well as the other individuals, businesses and civic organizations who support the Foundation. This year, especially, we are so thankful to our donors. We are so proud of our history, with over 6 million dollars awarded to over 5,600 recipients from 600 donors over the years! We are so grateful to all of our donors who deserve the credit for this proud record of supporting college-bound students and we congratulate this year's recipients. (A complete list of the donors who made awards this year and their recipients is included on the inside pages of this newsletter.)

### Changes at the Office

Effective July 1<sup>st</sup>, Karen Switzer stepped up as Executive Director of LRSF! Karen has served as Assistant Director for the past two years and is now taking over the reins. Karen has shown great dedication to the Foundation over the past three years...We are excited to have her as the new Executive Director. Former Director, Paulette Loughlin, who was scheduled to retire, will be staying on until the end of the year as Assistant Director.

**LRSF HAS A NEW BANNER**  
Standing outside the LRSF office at the DeCamp Center in Gilford are LRSF President, Lori Fasshauer and Trustee, Gail Beane next to our new stand-up banner. The banner was designed by Gail Beane and printed by Mega Print of Holderness, NH.

On Saturday, August 1st friends and family of Jenni Harmon held their 6<sup>th</sup> annual "Jenni's Ride Around the Lakes" to raise funds for **the Jenni Harmon Memorial Scholarship**. Due to the COVID-19 situation, the socially-distanced ride started at the Gilford Cinema parking lot and tickets and donations were done on-line. Pictured above is (l to r) Skylor Beery, friend of LRSF, Paulette Loughlin, former LRSF Executive Director, Jenni's mom, Jane Harmon, Jenni's sister, Jamie Harmon, and dad, Russ.

1<sup>st</sup> Annual Pumpkin Figure Contest

LRSF is planning our first Annual Pumpkin Figure contest. We are inviting members of the Lakes Region Community to enter and build their own unique pumpkin figures as an individual, family, school, organization or business group. The figures must include at least one pumpkin along with other recycled or other creative parts. Use your imagination and come up with something unique, sweet or even scary. Perhaps a scarecrow with a pumpkin head, a snowman made of pumpkins, a pumpkin superhero or sports figure...let your imagination run wild.

Check out our website and FACEBOOK pages in September to find out how to register. We hope to see many figures displayed throughout the community. Be sure it is out the weekend of October 10<sup>th</sup> to join the community in the month long celebration of *Come Catch the Glow*. We hope to have a map of the locations for all of the entries published on our FACEBOOK page and website.

There will be a variety of categories to be judged. Members of the LRSF Board, along with some possible guests will be judging the entries. Winners will be announced on Saturday, October 10th on our FACEBOOK page.

REMINDER  
There Are Benefits of IRA Distribution as a Donation

In December 2015, Congress passed a law allowing you to give up to \$100,000 to charity directly from your individual retirement account (IRA) when you are over 70 ½ years old without counting the distribution as taxable income. This type of charitable gift is called a Qualified Charitable Distribution. Qualified Charitable Distributions count as IRA distributions and can be used to satisfy all or part of your required minimum distribution. This makes them particularly useful for senior citizens who are still working, have a large pension, or in general, find themselves in a higher tax bracket. In addition, this provision may be especially attractive for retirees who don't need all the income from their IRA to meet current living expenses. By donating the money to charity, they can enjoy the satisfaction of knowing that they are contributing to a worthy cause while effectively lowering their taxes. Your charitable gift may be used to establish a fund in your name, in the name of your family or business, in honor of a person or organization or with a name that protects your anonymity. Your gift may also be directed to an existing fund at the Foundation or to our Friends of the Foundation Operating Fund. Simply contact your IRA custodian and request the form(s) necessary to transfer your desired gift amount. This information is not meant as tax or legal advice. We recommend you consult your tax professional or financial advisor to determine how this impacts your specific situation. **Thank you for your consideration!**
